

Aldermaston Nomads MCC, Extraordinary General Meeting

Wednesday 19th July, 7.30 pm, AWE Recreational Society, Paices Hill, nr Aldermaston, RG7 4PR

(the RecSoc can be found adjacent to AWE West Gate)

Introduction

Nomads have not held an AGM for several years due to Covid etc. The club has managed to survive during this period thanks to the stalwart efforts of the few. However, this is not sustainable, and more help is needed if the club is to have a future. The ACU's imposition of Sport 80 (online entry, membership, permits etc) has also increased the burden on those with the IT skills to navigate it!

The upshot is that the club is on its knees and urgently needs more help and fresh blood if it is to continue.

Please come along to the AGM and help steer our club to a bright new future. If you can't make the date but are able to help in some way please email Ian Mace (ian.mace@gmail.com) or Brice Haines (anneandbrice@yahoo.com).

We'll be looking into using the Skittles alley for anyone who cares to try their hand should times allow.
